AUDIO SYSTEM

- Stereo, Fusion® Apollo RA770 (Helm) 12V AM/FM
 - Amplifier, 4-Channel (1400W)
 - Bluetooth™
 - Digital Signal Processing (DSP)
 - NRX 300 Remote (In Cabin)
 - Speakers (6.5") – 3 Pairs
 - Wi-Fi Audio Streaming with Apple AirPlay® 2

HELM

- Alarm, High-Water
- Dual Digital Dash with Mercury® VesselView® Link Data (9")
 - Active Trim (Automatic Engine Trim System)
 - Chartplotter with Preloaded Charts (North America Only)
 - Simrad® GO9 (9") Touchscreen Displays (2)
 - Transducer with Depth, Water Temperature & Fishfinder
- Horn Switch with Stainless Steel Horn
- Instrument Panels
- Joystick Control
- Mercury VesselView® Mobile
- Parallel Start System – Engines
- SmartCraft® Digital Throttle & Shifts (DTS)
- Steering, Power-Assisted with Isotta Vertice Tilt Wheel
- Switch Panel with Illuminated Weatherproof Push Button Switches
- Tilt & Trim, Power

ELECTRICAL SYSTEMS

- Battery Switches
- Breaker Panels, Waterproof Electronic Interface Modules
- Fuse Block
- Isolator, Galvanic
- Main DC Distribution Hub
- MerCathode
- Panel, Main Distribution AC/DC with Voltage & Current Meters
- Shore Power – 30AMP 120V with 50' Cord

BILGE

- Bilge Pump, 12V Automatic
- Finished Aft Bilge Storage

FUEL SYSTEMS

- Evaporative Emissions Fuel System
- Fuel Lines, USCG – Type A-1
- Fuel Tank with Anti-Siphon Valve & Mechanical Sending Unit

UNDERWATER GEAR

- Propellers, Stainless Steel
- Variable Running Surface – Trim Tabs & Trim Indicators

WASTE SYSTEM

- Head System (VacuFlush®)
- Holding Tank Level Indicator – MDP
- Holding Tank with Dockside Pump-Out (28 Gallon)
- Sump Box with Pump – Automatic

Some features and options may not be available when a boat is built for regions outside North America and/or has CE Certification. Boats ordered with 220V/50 cycle electrical systems will have the appropriate appliances in the corresponding voltage.

DECK / COCKPIT

Shown with optional equipment

CABIN

The 320 Outboard continues Sea Ray's bold new vision for sport cruising by blending the values of a cruiser and a bowrider with the versatility and efficient performance of twin Mercury Verado outboard engines. From the spacious open bow with robust lounge seating, to the generous cockpit with wet bar, to the beautifully designed cabin with sleeping accommodations for four, the Sundancer 320 Outboard offers the best of both worlds—day boating and cabin cruising.

The traditional bow sunpad has evolved into a much more robust lounge seating area, inviting a group to socialize and enjoy the view. The best part? The bow can be fully enjoyed while underway. Actuated headrests, armrests and seats allow users to adjust for perfect comfort, with a stowable table conveniently in reach. An optional bow sunshade can extend over the area to offer protection from the sun while at rest.

The cockpit affords effortless, versatile enjoyment of the water, with a natural flow from the helm all the way through the transom and onto the integrated swim platform. A reversible helm companion seat converts to face aft, facilitating conversation with the rest of the cockpit. A well-equipped standard wetbar includes a sink and storage, and offers a refrigerator and grill as options.

For ducking out of the elements or making an overnight or weekend-long getaway, the Sundancer 320 features a beautifully designed cabin with sleeping accommodations for four. In the mid-berth, two sliding twin beds can be combined to form a queen bed.

In the forward Salon / V-berth, a stylish table converts via filler cushion to form a comfortable full-sized bed. A deluxe head, gourmet-ready galley with extending countertops, flatscreen TV and generous storage round out this inviting space.
